### **ELEMENT SOLUTIONS INC Animal Testing Statement**

Element Solutions Inc (“ESI”) is committed to offering products that are safe for its customers and that comply with the applicable laws of all countries in which it operates. ESI is equally committed to avoiding animal testing where possible. Except in the limited situations where required by law, ESI does not test its formulations on animals. In addition, where required to do such testing, ESI strives to contract only with third party testing facilities that fully comply with applicable animal welfare laws and other governmental regulations.
